

# Marriage Recommitment

*I \_\_\_\_\_ desire to recommit myself to the principles of Catholic marriage and to my wife \_\_\_\_\_.*

- I promise to never question the permanence of our marriage.
- I commit to forgiving and forgetting any pain my wife has caused me, past, present and future.
- I promise to pray for my wife's needs and the needs of our marriage and family.
- I rededicate myself to a life of serving my wife.
- I pray that the fruit of our marriage will be both life giving and life affirming.

*This I promise on the 14<sup>th</sup> day of February, 2021*
